## Good Faith Estimate

**You have the right to receive a “Good Faith Estimate” explaining how much your medical care will cost you.**

Under the Federal No Surprise Act, health care providers need to give **patients who don’t have insurance or who are not using insurance** an estimate of the bill for medical items and services.

- You have the right to receive a Good Faith Estimate for the total expected cost of any non-emergency items or services from OSMC providers.
- Make sure your health care provider gives you a Good Faith Estimate in writing at least 1 business day before your medical service or item. You can also ask your health care provider, and any other provider you choose, for a Good Faith Estimate before you schedule an item or service.
- If you receive a bill that is at least \$400 more than your Good Faith Estimate, you can dispute the bill.
- Make sure to save a copy or take a picture of your Good Faith Estimate.

For questions or if you want more information about your rights to a Good Faith Estimate, visit [www.cms.gov/nosurprises](http://www.cms.gov/nosurprises).

For assistance about obtaining an estimate, please call during the hours of 8 a.m. - 4:30 p.m., Monday – Friday, 574-264-4163.
