OSMC's RAPID RESPONSE TEAM

Rapid response. OSMC's team is ready!

When we hear from you regarding a work injury, we're on it. Our work injury administrative team will arrange for an OSMC physician to see your employee right away.

- **DEDICATED** We are dedicated to getting your employee urgent treatment.
- **FLEXIBLE** Our doctors make the time to see your injured employee.
- **EXPERIENCED** The board-certified physicians at OSMC regularly treat injuries and accidents, and they know work comp.
- **THE WAY TO CARE** Our care team takes time, listens and explains the treatments, recovery and self-care needs to each patient.

OSMC IS THE EXPERT IN WORKER'S COMPENSATION INJURY CARE

OSMC balances both patient care and your expectations as an employer to create a proactive return-to-work plan.

Our program provides immediate referrals to board-certified, expert physicians, with quick evaluation and treatment of work-related injuries.

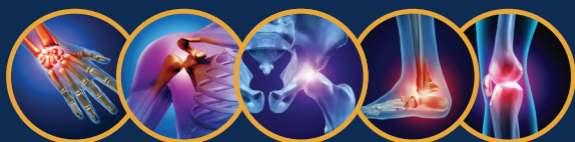

Treatment plans focus on the injured employee achieving maximum medical improvement (MMI) as safely and quickly as possible.
